PRESQUE ISLE AVENUE RECONSTRUCTION – PHASE 1 BEGINS

Beginning at 7 a.m. on Monday, Aug. 7, 2017 Fair Avenue from Presque Isle Avenue to Third Street will be closed to through traffic for Phase 1 reconstruction work. This is the first phase of four phases. This phase is expected to last two weeks.

This Fair Avenue work will detour traffic from Presque Isle Avenue to Kaye Avenue, Third Street, and back on to Fair Avenue. Presque Isle Avenue will remain open during this phase by use of a lane shift.

Businesses in this area are open and patrons can access them by way of Third Street. The public is advised to use caution when traveling through this area and to be alert for construction, detour and advisory signing.

A phasing schematic can be accessed at the City of Marquette Engineering Division web site under the Presque Isle Avenue Reconstruction Project link at www.mqtcty.org.

Hebert Construction Company is the general contractor for this project.

The City of Marquette asks you for your patience during the construction process.
